

## Second Harvest Japan (2HJ) Volunteer Insurance

As a group, we have the NPO Comprehensive Insurance (NPO Katsudo Sogo Hoken) coverage. Please make sure you read and understand the insurance plan and coverage.

### ●NPO Liability Insurance

○Liability for any accident and/or damage at the facilities owned/operated/managed by the organization as a result of NPO's volunteer activities.

○Liability for any physical accident/injury between volunteers/employees, and any damage to properties belonging to volunteers/employees.

Liability	For facilities, products, humans and property	During a single accident period	¥200,000,000
-----------	---	---------------------------------	--------------

### ●NPO Group Accident Insurance

○The following amount will be paid for unexpected and incidental accidents while participating in NPO's volunteer activities.

Accident Insurance	Accidental death & dismemberment	¥5,000,000
	Hospitalization / day	¥5,000
	Outpatient hospital / day	¥3,000

Notes:

- Must complete online volunteer registration before volunteering.
- Treatments must begin and complete while in Japan. Those who do not have residency in Japan are excluded from this insurance policy.
- Accidents unrelated volunteering at 2HJ will NOT be covered under this insurance policy.

### ●Examples of when the NPO Liability insurance is applicable

- During a volunteering activity, a volunteer is accidentally pushed by another volunteer, which causes an injury.
- During a volunteering activity, a volunteer accidentally injures a recipient of the service.
- During a volunteering activity, a volunteer accidentally damages personal property that belongs to a recipient of the service.

The recipient of service gets food poisoning by consuming food provided by 2HJ.

Material/object placed by a volunteer falls onto a service recipient, which causes an injury.

● Examples of when the NPO Accident insurance is applicable

- A volunteer and a 2HJ employee are driving to the volunteer site and are involved in an accident which causes injury.
- A volunteer is injured either on his/her way from home to the volunteer site, or from the site back home.

A volunteer burns his/her hand while preparing meals to be served by 2HJ.

A volunteer is hit by a car on his/her way to the volunteering site.
